Key Word Index

Acetylcholine receptor
Ganglionic transmission; Ganglion-blocking drug, 91
Active orthostatic load
Heart rate fluctuation; Sympathetic heart rate control; Vagal heart rate control; Autonomic blockade, 127
Adrenal gland
Dopamine; Thyroid status; Developing rat; Insulin hypoglycaemia, 181
Adrenal medulla
Sympathetic nervous system; Development; Catecholamine; Borderline hypertensive rat; Hypertension; Ornithine decarboxylase; Heart, 43
Autonomic blockade
Heart rate fluctuation; Sympathetic heart rate control; Vagal heart rate control; Active orthostatic load, 127
Autonomic neuron
Neuropeptide; Iris; Sensory neuron; Superior cervical ganglion; Ciliary ganglion, 67
Autonomic neuropathy
Urinary bladder; Diabetic rat; Vesical function; Ganglioside, 59

Baroreceptor reflex
Vagus nerve; Cardiac sympathetic nerve; Heart rate; Conscious rat, 203
Baroreflex
Muscle nerve sympathetic activity; Microneurography; Reflex latency; Central sympathetic mechanism, 157
Blood pressure
Paraventricular nucleus; Renal sympathetic nerve activity; Electrical stimulation; Rat, 83.
Blood pressure
Solitary tract nucleus; Electrical stimulation of the brain; Heart rate; Respiration; Spontaneously hypertensive rat, 195
Borderline hypertensive rat
Sympathetic nervous system; Adrenal medulla; Catecholamine; Hypertension; Ornithine decarboxylase; Heart, 43
Brainstem
Phrenic motor nucleus; Respiration; Horseradish peroxidase, 233

Calcitonin gene-related peptide
Parasympathetic ganglion cell; Substance P; Cardiac ganglion, 135
Cardiac ganglion
Parasympathetic ganglion cell; Calcitonin gene-related peptide; Substance P, 135
Cardiac sympathetic nerve
Vagus nerve; Heart rate; Baroreceptor reflex; Conscious rat, 203
Carotid body
Long-term hypoxia; Dopamine; Norepinephrine; Turnover, 9
Catecholamine/enkephalin co-release
Hemorrhagic shock, 29
Catecholamine
Sympathetic nervous system; Adrenal medulla; Borderline hypertensive rat; Hypertension; Ornithine decarboxylase; Heart, 43
Central sympathetic mechanism
Muscle nerve sympathetic activity; Microneurography; Reflex latency; Baroreflex, 157
Champy–Maillet stain
Interstitial cell of Cajal; Submucous plexus; Smooth muscle, 223
Ciliary ganglion
Neuropeptide; Iris; Autonomic neuron; Sensory neuron; Superior cervical ganglion, 67
Coeliac ganglion cell
5-Hydroxytryptamine (5-HT); Guinea-pig, 185
Conscious rat
Vagus nerve; Cardiac sympathetic nerve; Heart rate; Baroreceptor reflex, 203

Denervation
Perivascular nerve; Dopamine-β-hydroxylase; 6-Hydroxydopamine; Neuropeptide, 15
Developing rat
Adrenal gland; Dopamine; Thyroid status; Insulin hypoglycaemia, 181
Diabetic rat
Urinary bladder; Autonomic neuropathy; Vesical function; Ganglioside, 59
Dog
Neuropeptide Y; Heart; Guanethidine, 87
Dopamine
Long-term hypoxia; Norepinephrine; Turnover; Carotid body, 9
Dopamine
Adrenal gland; Thyroid status; Developing rat; Insulin hypoglycaemia, 181
Dopamine-β-hydroxylase
Perivascular nerve; Denervation; 6-Hydroxydopamine; Neuropeptide, 15
Dorsal motor nucleus
Nucleus ambiguus; Vagus nerve; Visceral innervation, 109

0165-1838/87/$03.50 © 1987 Elsevier Science Publishers B.V. (Biomedical Division)

Electrical stimulation
Paraventricular nucleus; Renal sympathetic nerve activity; Rat; Blood pressure, 83
Electrical stimulation of the brain
Solitary tract nucleus; Blood pressure; Heart rate; Respiration; Spontaneously hypertensive rat, 195
Enkephalin
Sympathetic; Stellate ganglion; Middle cervical ganglion; Neuropeptide; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Substance P; Immunohistochemistry, 167

Familial dysautonomia
Postural hypotension; Heart rate variability; Power spectrum, 51

Ganglion-blocking drug
Acetylcholine receptor; ganglionic transmission, 91
Ganglionic transmission
Acetylcholine receptor; Ganglion-blocking drug, 91
Ganglioside
Urinary bladder; Diabetic rat; Autonomic neuropathy; Vesical function, 59
Guanethidine
Neuropeptide Y; Heart; Dog, 87
Guinea-pig
5-Hydroxytryptamine (5-HT); Coeliac ganglion cell, 185

Heart
Sympathetic nervous system; Adrenal medulla; Catecholamine; Borderline hypertensive rat; Hypertension; Ornithine decarboxylase, 43.
Heart
Neuropeptide Y; Guanethidine; Dog, 87
Heart rate
Solitary tract nucleus; Electrical stimulation of the brain; Blood pressure; Respiration; Spontaneously hypertensive rat, 195
Heart rate
Vagus nerve; Cardiac sympathetic nerve; Baroreceptor reflex; Conscious rat, 203
Heart rate
Vagus nerve; Non-myelinated fiber; Rabbit, 215
Heart rate fluctuation
Sympathetic heart rate control; Vagal heart rate control; Active orthostatic load; Autonomic blockade, 127
Heart rate variability
Familial dysautonomia; Postural hypotension; Power spectrum, 51
Hemorrhagic shock
Catecholamine/enkephalin co-release, 29
Horseradish peroxidase
Phrenic motor nucleus; Respiration; Brainstem, 233
6-Hydroxydopamine
Perivascular nerve; Dopamine-β-hydroxylase; Denervation; Neuropeptide, 15
5-Hydroxytryptamine (5-HT)
Coeliac ganglion cell; Guinea-pig, 185

Hypertension
Sympathetic nervous system; Adrenal medulla; Catecholamine; Borderline hypertensive rat; Ornithine decarboxylase; Heart, 43

Immunohistochemistry
Substance P; Sensory nerve; Kidney, 145
Immunohistochemistry
Sympathetic; Stellate ganglion; Middle cervical ganglion; Neuropeptide; Enkephalin; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Substance P, 167
Insulin hypoglycaemia
Adrenal gland; Dopamine; Thyroid status; Developing rat, 181
Intermediolateral cell column
Intrathecal; [*p*Glu5,MePhe8,MeGly9]-Substance P5–11; Substance P agonist; Peripheral resistance in rats; Regional blood flow in rats, 1
Interstitial cell of Cajal
Submucous plexus; Champy–Maillet stain; Smooth muscle 223
Intrathecal
Intermediolateral cell column; [*p*Glu5,MePhe8,MeGly9]-Substance P5–11; Substance P agonist; Peripheral resistance in rats; Regional blood flow in rats, 1
Iris
Neuropeptide; Autonomic neuron; Sensory neuron; Superior cervical ganglion; Ciliary ganglion, 67

Kidney
Substance P; Sensory nerve; Immunohistochemistry, 145

Long-term hypoxia
Dopamine; Norepinephrine; Turnover; Carotid body, 9

Microneurography
Muscle nerve sympathetic activity; Reflex latency; Baroreflex; Central sympathetic mechanism, 157
Middle cervical ganglion
Sympathetic; stellate ganglion; Neuropeptide; Enkephalin; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Substance P; Immunohistochemistry, 167
Muscle nerve sympathetic activity
Microneurography; Reflex latency; Baroreflex; Central sympathetic mechanism, 157

Neuropeptide
Perivascular nerve; Dopamine-β-hydroxylase; Denervation; 6-Hydroxydopamine, 15
Neuropeptide
Iris; Autonomic neuron; Sensory neuron; Superior cervical ganglion; Ciliary ganglion, 67
Neuropeptide
Sympathetic; Stellate ganglion; Middle cervical ganglion; Enkephalin; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Substance P; Immunohistochemistry, 167
Neuropeptide Y
Heart; Guanethidine; Dog, 87

Neuropeptide Y
Rat heart; Noradrenaline; Surgical sympathectomy, 101
Neuropeptide Y (NPY)
Sympathetic; Stellate ganglion; Middle cervical ganglion; Neuropeptide; Enkephalin; Vasoactive intestinal peptide (VIP); Substance P; Immunohistochemistry, 167
Non-myelinated fiber
Vagus nerve; Rabbit; Heart rate, 215
Noradrenaline
Rat heart; Neuropeptide Y; Surgical sympathectomy, 101
Norepinephrine
Long-term hypoxia; Dopamine; Turnover; Carotid body, 9
Nucleus ambiguus
Dorsal motor nucleus; Vagus nerve; Visceral innervation, 109

Ornithine decarboxylase
Sympathetic nervous system; Adrenal medulla; Catecholamine; Borderline hypertensive rat; Hypertension; Heart, 43

Parasympathetic ganglion cell
Calcitonin gene-related peptide; Substance P; Cardiac ganglion, 135
Paraventricular nucleus
Renal sympathetic nerve activity; Electrical stimulation; Rat; Blood pressure, 83
Peripheral resistance in rats
Intermediolateral cell column; Intrathecal; [*p*Glu5,MePhe8,MeGly9]-Substance P5–11; Substance P agonist; Regional blood flow in rats, 1
Perivascular nerve
Dopamine-β-hydroxylase; Denervation; 6-Hydroxydopamine; Neuropeptide, 15
Phrenic motor nucleus
Respiration; Horseradish peroxidase; Brainstem, 233
Postural hypotension
Familial dysautonomia; Heart rate variability; Power spectrum, 51
Power spectrum
Familial dysautonomia; Postural hypotension; Heart rate variability, 51

Rabbit
Vagus nerve; non-myelinated fiber; Heart rate, 215
Rat
Paraventricular nucleus; Renal sympathetic nerve activity; Electrical stimulation; Blood pressure, 83
Rat heart
Neuropeptide Y; Noradrenaline; Surgical sympathectomy, 101
Reflex latency
Muscle nerve sympathetic activity; Microneurography; Baroreflex; Central sympathetic mechanism, 157
Regional blood flow in rats
Intermediolateral cell column; intrathecal; [*p*Glu5, MePhe8,MeGly9]-Substance P5–11; Substance P agonist; Peripheral resistance in rats, 1
Renal sympathetic nerve activity
Paraventricular nucleus; Electrical stimulation; Rat; Blood pressure, 83
Respiration
Solitary tract nucleus; Electrical stimulation of the brain; Blood pressure; Heart rate; Spontaneously hypertensive rat, 195
Respiration
Phrenic motor nucleus; Horseradish peroxidase; Brainstem, 233

Sensory nerve
Substance P; Immunohistochemistry; kidney, 145
Sensory neuron
Neuropeptide; Iris; Autonomic neuron; Superior cervical ganglion; Ciliary ganglion, 67
Smooth muscle
Interstitial cell of Cajal; Submucous plexus; Champy–Maillet stain, 223
Solitary tract nucleus
Electrical stimulation of the brain; Blood pressure; Heart rate; Respiration; Spontaneously hypertensive rat, 195
Spontaneously hypertensive rat
Solitary tract nucleus; Electrical stimulation of the brain; Blood pressure; Heart rate; Respiration, 195
Stellate ganglion
Sympathetic; Middle cervical ganglion; Neuropeptide; Enkephalin; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Substance P; Immunohistochemistry, 167
Submucous plexus
Interstitial cell of Cajal; Champy–Maillet stain; Smooth muscle, 223
Substance P
Parasympathetic ganglion cell; Calcitonin gene-related peptide; Cardiac ganglion, 135
Substance P
Sensory nerve; Immunohistochemistry; Kidney, 145
Substance P
Sympathetic; Stellate ganglion; Middle cervical ganglion; Neuropeptide; Enkephalin; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Immunohistochemistry, 167
[*p*Glu5,MePhe8,MeGly9]-Substance P5–11
Intermediolateral cell-column; Intrathecal; Substance P agonist; Peripheral resistance in rats; Regional blood flow in rats, 1
Substance P agonist
Intermediolateral cell column; Intrathecal; [*p*Glu5, MePhe8,MeGly9]-Substance P5–11; Peripheral resistance in rats; Regional blood flow in rats, 1
Superior cervical ganglion
Neuropeptide; Iris; Autonomic neuron; Sensory neuron; Ciliary ganglion, 67
Surgical sympathectomy
Rat heart; Neuropeptide Y; Noradrenaline, 101
Sympathetic
Stellate ganglion; Middle cervical ganglion; Neuropeptide;

Enkephalin; Neuropeptide Y (NPY); Vasoactive intestinal peptide (VIP); Substance P; Immunohistochemistry, 167
Sympathetic heart rate control
Heart rate fluctuation; Vagal heart rate control; Active orthostatic load; Autonomic blockade, 127
Sympathetic nervous system
Adrenal medulla; Development; Catecholamine; Borderline hypertensive rat; Hypertension; Ornithine decarboxylase; Heart, 43

Thyroid status
Adrenal gland; Dopamine; Developing rat; Insulin hypoglycaemia, 181
Turnover
Long-term hypoxia; Dopamine; Norepinephrine; Carotid body, 9

Urinary bladder
Diabetic rat; Autonomic neuropathy; Vesical function; Ganglioside, 59

Vagal heart rate control
Heart rate fluctuation; Sympathetic heart rate control; Active orthostatic load; Autonomic blockade, 127
Vagus nerve
Dorsal motor nucleus; Nucleus ambiguus; Visceral innervation, 109
Vagus nerve
Cardiac sympathetic nerve; Heart rate; Baroreceptor reflex; Conscious rat, 203
Vagus nerve
Non-myelinated fiber; Rabbit; Heart rate, 215
Vasoactive intestinal peptide (VIP)
Sympathetic; Stellate ganglion; Middle cervical ganglion; Neuropeptide; Enkephalin; Neuropeptide Y (NPY); Substance P; Immunohistochemistry, 167
Vesical function
Urinary bladder; Diabetic rat; Autonomic neuropathy; Ganglioside, 59
Visceral innervation
Dorsal motor nucleus; Nucleus ambiguus; Vagus nerve, 109
